Sabbath School Lesson No. 6 for Feb. 8, 1964.
A few highlights of lesson entitled — "Glimpses of the Messiah" in the book of Numbers. "And as Moses lifted up the serpent in the wilderness even so must the son of man be lifted us; that whosoever believeth in Him should not perish but have everlasting life". Memory Verse: John 3:14, 15.
Aim — To see divine guidance and forbearance in the wilderness wanderings, and the merciful provisions of justice and forgiveness of sins through ceremonies pointing forward to the coming Redeemer.
The Fiery Cloudy Pillar — EVIDENCES OF God's presence — bers 9:15 16. 'And on the day that the tabernacle was reared up the cloud covered the tabernacle, namely the tent of the testimony, and at even there was upon the tabernacle as it were the appearance of fire until the morning. So it was alway: the cloud covered it by day, and the appearance of fire, by night.'
The purpose of God in this miracle — Exodus 13: 21 "And the Lord went before them by day in the pillow of a cloud to lead them the way— west before them by night in a pillar of fire to give them light, to go by day and night.
Proofs of Christ's presence with the encampment —1 Cor. 10 1-4 Paul is speaking now, he says, 'Moreover brethern I would not that ye should be ignorant how that all the fathers were under the cloud and passed through the sea; and were baptized unto Moses in the cloud and in the sea, and did all eat the same spiritual meat; and did all drink the same spiritual drink; for they drank of the spiritual Rock and that Rock was Christ.' 'See — The First Church in the Wilderness, Acts 7:37, 38.
Assurances of Christ's presence with the church forever — St. John 8:12, Matt. 28:20, "Then Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness but shall have the light of life. Jesus now speaking said — 'teaching them to observe all things whatsoever I have commanded you; and lo I am with you always, even unto the end of the world.' Amen.
The Israelites saved their lives by looking upon the uplifted serpent. That look implied faith. So the sinner today may look to Christ and live, unlike the inert and lifeless symbol in the wilderness Christ has power to save and heal the repentant sinner.

This, he said, could destroy the two-party system and undermine "the fundamental safeguards of our dual governments under the Constitution." Byrd spoke in the hall of the House of Burgesses in the restored 18th century capitol on the 30th anniversary of the day he took office as Governor of Virginia in 1926.

**NO PARAGON**

"Yes."
"How romantic! Is he your ideal?"
"Heavens, no! Merely the best I could get."

ASK ABOUT PRICE
Sentiment should never interfere with good judgment. It is perfectly proper to expect a wide range in funeral service, as it is in other major purchases. Robinson's provide a complete funeral service at moderate cost.
